Dear Sir/Madam,

Subject: Commemoration of the historic parliament of world religions.

You might be aware of the Historic parliament of world religions held at Chicago (U.S.A). on 11<sup>th</sup> September 1893.

Swami Vivekananda the patriotic monk of Bharath addressed the delegates from all religions of the world. He impressed the audiences with the basic idea of divinity of the soul. He pointed out the essence of the Vedic religion stating, "We believe not only in Universal tolerance but we accept all the religions are true". To recapitulate the teachings of the Vedic religion we are organising a function to put forth this Nobel idea Infront of our younger generation. On Sunday, September 15, 2024; 11:00 AM. at Ramakrishna Mission, Sakwar, Post Khaniwade, Taluka Vasai. District, Palghar.
